1x 16mm Tap

Assembly Instructions

✓ Unpack the contents of the box and ensure all parts are correct.
✓ Unfold and open your AutoPot FlexiTank.
✓ Attach the tap to the bottom of the FlexiTank by pushing it through the hole, ensuring there is a rubber on the outside and the inside of the tank. Then tighten the nut as tight as possible until the tap is in the correct position.
✓ Please ensure all fittings are tightened and correctly attached before filling the tank.
✓ Insert all 6 support poles into the side sleeves of the AutoPot FlexiTank.
✓ Ensure the caps are level with the bottom of the tank by pushing the poles in completely.
✓ The tank is now ready to be turned upright and moved into place. Ensure that the tank is placed on a flat and smooth surface to prevent damage to the plastic.
✓ Your tank is now ready to fill and use. The AutoPot FlexiTank comes with a 1 year guarantee, covering manufacturing defects. Any misuse of the product is not covered by the guarantee.
